Rolfes Colour Pigments International is committed to protecting the occupational health and safety of employees, contractors and visitors in the work- place, and where appropriate other stakeholders. We demonstrate this commitment through our occupational health and safety management system, which is entrenched in all organisational activities and conforms to recognise occupational and health and safety standards and legal requirements.

We have established clear accountability for leading occupational health and safety within the Company and although legal compliance forms the foundation of our health and safety management system, we will also monitor emerging issues, technological innovations and stakeholder interests in order to ensure effective and sustainable solutions to health and safety challenges. To this end the Health and Safety policy will be periodically reviewed and revised.

We are Committed to

- Conducting our business with respect and care for people and the their Health
- Responsible utilisation of natural resources.
- Consistently demonstrating visible and active leadership with employees and service providers.
- Promoting dialogue with stakeholders about Safety and Health matters and performance.
- Complying with agreed corporate requirements that embrace the duty of care, including compliance with applicable laws.
- Taking decisions that add sustainable value in the short, medium and long term.

We will Achieve these Commitments by

- Identifying hazards, assessing risks and implementing effective controls to prevent causes and mitigate possible consequences.
- Setting and periodically reviewing SHE objectives and targets, and communicating progress.
- Using internationally recognised management systems, ensuring they are audited and identifying improvement opportunities to drive better Health and Safety performance.
- Developing and implementing inherently safer and cleaner technologies.
- Holistically managing health and wellness of our people.
- Responding effectively to emergencies involving our people, operations and products.
- Learning from incidents to prevent reoccurrence.
- Informing and training all employees and service providers on Health and Safety best practices.

We therefore commit ourselves to the enforcement of the Health and Safety Management System based on OHSAS 18001:2007 and require that all employees of Rolfes Colour Pigments International work according to the system, procedures, authorities and responsibilities contained in the documented system.
